Good Morning Sir,

Congratulations to Riley! Our next scheduled Wilshire HTF Deployment is planned for Friday the 22nd. However, this outreach may not take place since immediate resources offered to our homeless neighbors cannot be paid for. A component of our placement successes is our ability to immediately transport to detox, bus station, residential living, etc and pay for it! But we have already overextended ourselves to Wilshire/Melrose and cannot continue unless new support is established. Other areas of Los Angeles are now asking for assistance as well causing new budget lines to be drawn. Will keep all informed of progress for expanding HTF services in cooperation with the LAPD, "L.A.'s Finest!"

The new Melrose BID Ambassador is Riley Sherwood. (His father is a 30-year LAPD Detective out of the Devonshire Division.) I've copied him on this email. I walked portions of the BID area with him on Saturday and today. Pastor Weller, would you like to do some early am outreach with him on Friday? I know he's anxious to meet you and become a productive part of our team. His cell is 818-405-2615.

He met with Carl today and relieved him of an 8 lb sledge hammer. I think that qualifies as "crime prevention."

Riley, please let us all know that you received this email.

Friday the 22nd will work for me Officer Wecker so long as we receive resource funding for the "whole" geographical Wilshire Division. Those positive contacts from our last deployment outside the Melrose BID Area will require new financial support. I spoke today with one of last Friday's contacts named Joe L. and he is ready to go now however we have no money on hand for his immediate entry into a men's house. (\$550.00 per month). Our newest commitment for placement funding has not yet been received and would not apply anyway as those monies must and will be dedicated to other specific geographic areas where we also serve the homeless. I am available to speak with any new individuals, groups and/or any other new sources for HTF financial support. Thank you for serving Inga!

Blessings,

Chaplain Weller,

I will not be able to do outreach this week, as I have evening appointments every night this week and I won't be coming in to work until 1200 each day. I heard your message about Joe, and that's great! I'm not sure what my schedule for next week will be, but most likely I will be available next Friday (April 22) if that works for you?

Let me know, thanks!

Inga
